Dear Praying Friends,

Greetings from beautiful Texas!

I've been having a wonderful time since arriving in the States for my 5 month furlough! I've also got a new cell number 682-358-1818.

I've already been to see my parents twice and am planning to be with them a lot more very soon.

I was blessed to be in attendance during Heartland Baptist Bible College's graduation week as well as Norris Bible Baptist Seminary's graduation service. What a joy to see so many young people with a heart to serve the Lord!

I've presented my work at a new church in hopes they will join in supporting me sometime soon, and I was privileged to update a few supporting churches on the recent developments in the ministry in Croatia.

Since arriving, I have dropped in on a number of churches in and around the Dallas area, as well as in west Texas, to introduce myself, and I've thankfully made a number of good, new contacts, and already received one invitation to return to present the work.

One church very graciously made a sizable donation to the Bible Mailing ministry, which will kick into action in a big way upon my return to Croatia in early October.

In the morning I'll begin a road trip that will take me to Kansas and on to Ohio. In Kansas, I'll be attending the wedding of the daughter of longtime friends. I'm so blessed to be in the United States for this event! God is so good! Next, I head to Elyria, OH to attend a week-long, old-fashioned Camp Meeting with dear friends at The Midway Baptist Church. I'm sure looking forward to being refreshed and challenged by the Word of God, and seeing my cup running over. Then I'll be with some more good friends in Amelia Ohio to meet their church for the first time, as well as another church nearby.

I'm staying busy on the roadside with my Gospel Signs as well. I want to have an impact for Christ while there is yet time!

Thank you so much for all your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
