GOD SAVE CROATIA

“... Go ye into all the world, and preach the gospel to every creature.”
Mark 16.15

Dear Praying Friends,

Greetings from beautiful Croatia! Glory to God! It has been a great couple of months!

By the middle of November, our first post-furlough Free Bible Facebook ad campaign was off to a running start, and, I do mean a running start! Our previous high water mark for a Free Bible ad was set back in March 2022, and that was 500 Bibles. That was an incredible number to us, which we hoped to duplicate many times over after I returned from furlough.

Well, the first campaign in mid-November to early December received 2,005 orders! Glory to God! We were so blessed to have so many Croatians wanting a Bible! We worked hard day and night to fill every order within 24 hours. Along with our other channels of distribution, altogether we shipped over 2,500 Bibles during the campaign timeframe. Wow!

During December, I also had some electrical and lighting upgrades done to the warehouse where we package and label Bibles for mailing. It was an investment that has already been a great blessing since we can work out there all hours of the day and night. In addition, some generous offerings came in that enabled me to purchase two special heavy-duty carts for material handling, and these have already been a tremendous help to us.

We kicked off another Free Bible ad campaign in the second week of January and it ran until last Monday. From it, we have already received 2,132 Bible orders, but the wonderful thing is that orders continue to flow in at a rate of 70-100 per day, even though the online ad is not being promoted at this time! It may take on a life of its own. Glory to God!

Another glorious upgrade to the warehouse happened in January! For two years, I have been searching for a roofer who would take the time to come and fix my leaky warehouse roof, and I finally found one! He put a new roof on the warehouse for \$5,500, which is a lot less expensive that I was expecting. I now have a beautiful new metal roof, which should last for generations! Some of my other buildings need upgrades too, but none nearly as urgent as this one was.

Every Bible that we mail individually costs us about \$2.00 in postage and packaging. So, the two campaigns with 4,137 Bible orders are an investment in eternity of about \$8,274. We are so thankful for those who have partnered with us to do this great work!

Thank you so much for all your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
