GOD SAVE CROATIA

“... Go ye into all the world, and preach the gospel to every creature.”
Mark 16.15

Dear Praying Friends,

Greetings from the beautiful mission field of Croatia!

On February 28th I will fly to the US to spend about 5-1/2 months on furlough. I will be enjoying spending some time with my parents in west Texas, preaching on street corners, conducting my Roadside Gospel Sign ministry, and visiting churches. Please pray I can have an impact for Christ in the short time I am there.

I do not currently have a telephone number that can be reached from the States, so if you would like to contact me about visiting your church, please use this email address – sam3673@gmail.com. When I get stateside and obtain a US telephone number I will publicize it.

It sure has been good to see what is happening in our Gypsy village church over the past couple of months. We have had a number of regular attenders each week, and yesterday we had a completely packed house - standing room only! In addition, we've regularly had the joy of seeing someone receive Christ as their Saviour, and yesterday we had four come forward for salvation! God is at work in the village and we believe He is going to continue to do a mighty work there. I'm so glad I get to see it happen.

We've seen some new believers added to the church in Varaždin as well. Bro Johnny baptized four this past Sunday night. What a blessing it is to see people get gloriously saved and then follow Christ in believer's baptism - some even while fearing reprisals from family members.

Our Bible translation project is about to hit a new milestone. Our first edition was printed in 2018, and now our second edition is heading to the printer. The first printing was a smaller quantity, but this time we will be receiving an entire container full – approximately 30,000 Bibles! This will give us enough to freely pass them out in the streets. I can't wait! This Bible is an excellent translation of the King James Bible, and we consistently receive positive feedback from many who have received one through the mail over the past two years. A good Bible should never be taken for granted!

Thank you so much for your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
