GOD SAVE CROATIA

“... Go ye into all the world, and preach the gospel to every creature.”
Mark 16.15

Dear Praying Friends,

Greetings once again from the beautiful land of Croatia!

During the last two months we have seen some exciting things over here.

One of those exciting things is that Bible distribution has really picked up steam! Due to the pandemic, as with many churches in America, we began putting more services online during the shutdown, and have continued to do so after services restarted.

Most of our online videos include an announcement about the availability of our free Croatian translation of the King James Bible. Well, apparently someone with a lot of followers saw our announcement and shared it, and the requests for Bibles have been pouring in! Glory to God! As our resident “mailman”, I’ve sent out several hundred Bibles since my return in late July. They go all over Croatia, and into Serbia, Bosnia, Germany (where many Croatians live), and Montenegro. It has been glorious, and the feedback we get is a huge blessing. The translation is much appreciated and very well received.

We’re still awaiting the arrival of our full container of approximately 30,000 Bibles and we can’t wait to start distributing them all around the country, on street corners or wherever we can. The arrival date remains uncertain at this time, but you will definitely be hearing about it when it happens!

Secondly, we had three Croatians from Germany contact Brother Johnny to come and be baptized by the proper authority. They had gotten saved listening to the gospel online from other sources and knew they needed to follow the Lord in believer’s baptism. They drove through the night to attend services on Sunday and met with Brother Johnny and testified about their salvation. Then recently all three were baptized. And, a local Gypsy lady was baptized on the same day. What a blessing!

Just this past week, we also had a man from Montenegro contact Brother Johnny for the very same reason. He led his sister to Christ as well, and they are both scheduled to come very soon to be baptized.

Lastly, Bro Johnny had a surgery about a month ago, and was told to rest for 4 weeks in order to properly heal. This meant I must preach in his place during that time frame, preparing 4 messages in Croatian each week - two for the Gypsy village church and two for the church in Varaždin. That was quite a load to bear, but with God’s help we made it through. God is good!

Thank you so much for all your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
