Dear Praying Friends,

Greetings once again from the beautiful land of Croatia!

First of all, I want to mention that I am planning to be in America on furlough from May through September 2022. If you would like for me to visit and report, please let me know. I'm planning to visit as many new churches as I can, but would love to see some familiar faces, too.

Our most recent planned trip to distribute Bibles on the street got rained out, but we have another one coming up soon and we're looking forward to it. We're still so excited about having Bibles we can freely distribute all over Croatia!

In addition to street distribution, of course we also continue mailing Bibles throughout Croatia and several surrounding countries. In the past three weeks, I've sent out approximately 300 copies of God's Word. Being on the front lines saturating this nation with the Incorruptible Seed is glorious! One day in heaven we'll all be able to see the fruit of it. What a wonderful day that will be!

I sent a Bible to one man recently and he wrote back to say thank you and included a photo of the Bible and the Gospel tracts that I had sent, and he indicated that he had read the tracts and called on Jesus to save his precious soul! That'll fire you up right there!

I need to ask everyone to pray for our Gypsy ministry. The Devil is always seeking to destroy the work of God and the people of God, and the Gypsy village has long been his domain. He does not want to surrender it, and he is working hard against us. We've seen people fall into sin and do things we didn't think possible. It's so heartbreaking and destructive. There are so many eternities at stake in this one single village, and the Devil doesn't want to give up a single one. We will fight for them. We just need God's direction, help, and protection as we do so. Please pray with us.

With the Leslies on furlough, Brother Ron Winkler and I have been covering the services, and it has been a joy. I now have all the translating opportunity I could hope for and I'm thoroughly enjoying it. I preach in Croatian in our midweek services and translate for Bro Ron on Sundays. I believe God is blessing it.

I've now had 4 months in my new home and could not be happier with it. I'm still rejoicing and praising the Lord for all He has done for me.

Thank you so much for all your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
