Dear Praying Friends,

Greetings once again from the beautiful land of Croatia!

We've got some glorious breaking news! The Lord has put in the heart of Bro Johnny Leslie to relocate to the city of Split on the southern peninsula of Croatia and start a new work there! This will open up the entire southern peninsula of Croatia to the Gospel, and that is a glorious development indeed.

About three years ago, the Lord brought us the Winkler family, who are long time, veteran missionaries, and just a great family. Brother Winkler will be taking over the pastorate of the current work here in Varaždin and I will be staying here with him to work as his translator and helper as he continues learning the language. It is an incredible thing to be here for such a time as this and play a part in enabling the ministry in Croatia to expand in such a marvelous way.

Additionally, in preparation for an evangelism campaign and conference planned in Split for June, we have been running a targeted Facebook ad in that area for free Bibles all week long. The results have far exceeded our expectations, as we have already received and shipped over 100 orders for Bibles! As word of mouth spreads in the area, we anticipate many additional orders to follow. We are absolutely overjoyed!

This Facebook ad has been such a success that we are now planning to use this method to advertise free Bibles systematically in EVERY area of the country. We just can't wait to see what God is going to do next!

My home with all its storage space and space set aside for Bible order processing is truly a gift from God as we can work from here and saturate the entire country of Croatia with the Word of God.

Last, but not least, Missionary Matt Miller and his family arrived this week. They will work alongside us for about a year as they await the Lord opening a place for them to start a work in another area of this former Yugoslavia region. It looks very suspiciously as if God has great things planned for this part of the world!

I'll be on furlough from May to September. Hoping to see many of you!

Thank you so much for all your support, whether financial, or through prayer and encouragement. Without you, this would not be possible. Having therefore obtained help of God, I continue unto this day, witnessing.
